## Division of Fire Prevention & Control

Department of Public Safety

On July 1, 2021 The Division of Fire Prevention and Control will adopt the 2021 International Fire Code (IFC), 2019 NFPA 13 and 13D and the 2018 NFPA 13R which will affect the Exam requirements for Sprinkler Fitters. According to 8 CCR 1507-11 5.2.7 each applicant must pass a Division approved examination that encompasses the Divisions current Code Adoption.

The following Exams are approved for compliance:

- STAR Fire Sprinkler Fitter Mastery Exam
- CSA Sprinkler Commercial On-site Competent Person Exam (ASCR2)
- State Fitter Exam - *details will be released June 1, 2022*

All applications received for the 2022 registration will have to provide proof of a current 2021 Exam.

The Exam does not replace other requirements such as CEUs.
